Raw elegance

NICKWOOD

Inspiration for the creation of the Nickwood collection comes from the beauty of natural wood. Tiles with a matt surface and a non-uniform structure are perfect imitation, and a modern interpretation of raw wood boards. The special abrasion marks on the surface are also very characteristic for rough timber. They add originality and a unique effect to any interior.

 - wall tile
  - floor tile
  - frost resistance
  - porcelain tile
  - rectified tile
  - colour body
