## shower heads

Ogni ambiente ha le sue caratteristiche, e ogni caratteristica trova il suo soffione: una vasta scelta di soffioni di diverse forme e misure, con installazione a parete o a soffitto, con erogazione dell'acqua classica o a cascata, ispezionabili o meno, ultrapiatti e con sistema anticalcare. Perché il benessere non conosca compromessi.

*Each environment has its own characteristics, where our shower-heads may be placed: a wide choice of shower-heads of different shapes and sizes, with ceiling or wall installation, with classic or cascade water flow, inspectable or not, ultra-thin and with anti-scale system. Because the well-being knows no compromise.*
